Oregon State Young People in Alcoholics Anonymous® is a committee whose intent is to create a conference for Oregon that will enrich and strengthen the young people's fellowship across the state. OSYPAA's aim is to reach young persons in sobriety and carry the message of AA's Twelve Steps while demonstrating that life as a sober young person is both exciting and worthwhile. This event is to create a bid committee so that we can bid to have OSYPAA here in Bend next year. There are lots of positions available so come and bring friends! This is a great opportunity to commit yourself to your sobriety and meet young people around the state of Oregon. A group from Eugene will be joining us on Sunday, and after we get the business out of the way we are going to play at the park! Bring your swimsuit and whatever else you'd like. If you have any questions please call Erin B. at 541-977-2784.
